Electricity Facts Label
CleanSky Energy
Free Month 12 - Fixed Rate Product
Issue Date: October 5, 2026
Lubbock Power and Light Service Area

Electricity Price

Average Monthly Use	500 kWh	1,000 kWh	2,000 kWh
Average Price ¢ per kWh	14.8	14.6	14.5

This average price per kWh is an example of the total average price for electricity reflecting all Lubbock Power and Light's recurring charges at the usage levels indicated above and is based on the following price components:

Energy Charge	8.32¢ per kWh
Base Fee	$0 per bill month
Lubbock Power and Light Charges	$2.50 per bill month and 6.008¢ per kWh

Only the energy charges from CleanSky Energy on your bill are eligible for the free month bill credit. The free month is defined as the billing cycle beginning with your meter read date in **March 2027** and may not be a calendar month. TDSP charges and taxes are not included in the free energy month.
The actual price you will pay will vary based on your actual usage. The average price per kWh above does not include applicable federal, local, or state and local taxes or any fees (including Gross Receipts Reimbursement or PUC Assessment).
Some locations may be subject to a Lubbock Power and Light Underground Facilities and Cost Recovery Charge authorized by your city that is not included in this price disclosure. See Lubbock Power and Light's tariff for a list of cities and authorized charges.

Other Key Terms and Questions

Autopay required. See Terms of Service for a full listing of fees, deposit policy, and other terms.

Disclosure Chart

Type of Product	Fixed Rate Product
Contract Term	12 month(s)
Do I have a termination fee or any fee associated with terminating service?	$75.00 Flat Fee - Fee does not apply if you move to another location and provide a forwarding address and, if required, reasonable evidence that you no longer occupy the location.
Can my price change during the contract period?	Yes, for the limited reasons described below.
If the price can change, how will it change and for how much?	Your price may be adjusted to reflect changes in the charges from Lubbock Power and Light, changes to the ERCOT, PUCT, or other administrative fees charged to loads or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are beyond CleanSky Energy's control.
What other fees may I be charged?	Please see the "Other charges and Fees" section of the Terms of Service for more details.
Is this a pre-pay or pay in advance product?	No
Does the REP purchase excess distributed renewable generation?	No
Renewable Content	100%
Statewide average for renewable content is:	37.2%
